

RECIPE FOR A SUCCESSFUL LUNCH BUNCH

THANK YOU FOR SERVING!

1

Place several yard signs along Main St., Race Ave., and Locust St. by Thursday afternoon. Yard signs are stored in The Outreach closet (long storage room behind Pyeatt-previously UMW closet).

2

To-go containers are in the kitchen pantry closet. If more are needed, they are in the Outreach closet.

3

Currently, the meal count is running from 30-50. This number is a moving target. It is a good idea to check with the prior group to get their count.

4

If we go to eat-in serving, we will use real plates, flatware, and plastic glasses to be as environmentally responsible as possible.

5

You are responsible for washing anything that was used--towels, aprons, pots, pans, utensils, etc. Please put everything away after it is clean and dry.

6

Always leave the kitchen cleaner and in better condition than you found it.
